

# WHAT ARE OUR PRIORITIES?

**WE WANT OUR CITY TO BE SUSTAINABLE AND OF SHORT DISTANCES. EVERY ASPECT OF OUR LIVES WILL BE DEALT WITH IN THE BEST POSSIBLE WAY:**

- We want neighbourhoods to be vibrant, mixed and interconnected and to offer everything we need in everyday life.
- We want attractive, green and safe public spaces.
- We will strive for new, sustainable neighborhoods that offer the best quality of life and affordable housing.
- We will prioritize the expansion of the bus and tram network, with less transit and safe ways to walk and cycle.
- We will introduce a local police force that will be close to our citizens.
- We will endeavour to provide even more social support for people in need.
- We will aim to have modern, innovative and inclusive schools and childcare facilities, with inviting schoolyards and playgrounds.
- We want more direct participation of our fellow citizens.
